

# 2020-2021 On-Line Course Requests

Current 6th and 7th grade students

March 17-April 30

[albany.registar.lblesd.k12.or.us/en-us/courserequest.aspx](http://albany.registar.lblesd.k12.or.us/en-us/courserequest.aspx)

- Read over Course Descriptions so you know what you are forecasting!!!
- To sign in you will need to know your 7 digit DBN (student id number) and birthdate mm/dd/yyyy
- Students MUST choose enough classes for 2.0 credits
- Choose classes in order of preference – scroll to see ALL offered classes!
- Then, choose as many alternate classes as you are interested in
- Do not choose any class more than once! Duplicated course requests will be denied!
- Some courses require teacher/staff approval. If you are interested, choose the course. Staff will contact you and communicate requirements.
- Class requests are REQUESTS! There is no guarantee that just because you choose a class, even as your top choice, that you will get that class.
- The course offerings could change depending on many factors. Choosing wisely now will give you more options.

If you have already forecasted, you can still make changes.

Review and make changes now!

\*Interventions and specialty classes may reduce the amount of Elective credits available to students
